Chapters of SIGMA THETA TAU
International Honor Society of Nursing

Date: April 25, 2017

Time: 4:30 pm—8:00 pm

Classics V Banquets
2425 Niagara Falls Blvd.
Amherst NY 14228
Target Audience
The target audience for this event is RNs, non-licensed nursing students and other health care providers.

Overview
This program highlights the original local research of Dr. Kerr and Dr. Nosek with hospice patients at end of life. This research has been spot lighted in both popular magazines and professional journals. The research findings will be reported as well as recommendations for clinical practice.

Objectives
Upon completion of the program, the participant will be able to:

- demonstrate a belief for the non-physical and subjective aspects of dying
- apply study findings to their practice by engaging end of life patients in discussions about their dreams and visions to promote comfort.

4:30pm Registration
4:45pm Poster Session – “Celebration of Research & Scholarly Activities”
Awards will be given for top three posters presented.
6:00pm Welcoming remarks & dinner
6:45pm-8:00pm Program
