Award Criteria:

The following criteria must be supported by the narrative. The strength of the narrative is critical. Please be concise and address all criteria individually including examples/outcomes to assure your nominee the best chance for selection.

- Summary of how this candidate has been an active, contributing member of the Professional Nurses Association of Western New York.
- How has this candidate been innovative in their area of nursing practice?
- Summary of candidate's publications and/or presentations at professional meetings and programs, and participation in other leadership activities.
- How has this candidate made a general impact on nursing practice, nursing research, and/or nursing education?
- Summary of how this candidate serves as a representative of nursing and maintains collaboration with a variety of professional and community groups.
